SANFORD'S JAMAICA GINGER.

This elegant preparation is prepared from the True Jamaica Ginger, combined with choice aromatics and genuine French brandy, and is vastly superior to every other Extract or Essence of Ginger before the public—all of which are prepared with alcohol by the old process.

CHOLERA MORBUS,

Cramps, Pains, Diarrhea and Dysentery, are instantly relieved by it. It will render an attack of Cholera Morbus impossible, if taken when the symptoms of this dangerous complaint first manifest themselves.

CRAMPS AND PAINS,

Whether produced by indigestion, improper food, change of water or diet, too free indulgence in ice water, exposure to sudden changes of temperature, are immediately relieved by it. One ounce added to a gallon of

ICE WATER

And sweetened forms a mixture which, as a cooling healthy and refreshing Summer Beverage has no equal. Barrels of ice water, prepared in this way, may be drank without the slightest injury, and happy is the man who finds in this a substitute for spirituous liquors. Its value to the Farmer, Mechanic and Laborer cannot be over estimated. It is so cheap as to be within the reach of all; so finely flavored as to be enjoyed by lovers of the choicest liquors.

DYSPEPSIA,

Flatulency, Sluggish Digestion, want of Tone and Activity in the Stomach and Bowels, Oppression after Eating are sure to be relieved by a single dose taken after each meal. A great want exists for a

RESTORATIVE STIMULANT

Free from serious objections, yet palatable, even inviting to the sensitive palate, which will create no morbid appetite for itself, and operate as an assistant to digestion, as well as perform the functions of a stimulant. Such we confidently believe is to be found in

SANFORD'S JAMAICA GINGER

An elegant combination of the True Jamaica Ginger with the choicest Aromatics. It is beyond all comparison the most healthy, invigorating tonic and stimulant before the public. It is earnestly recommended to the weak and nervous, to those recovering from debilitating diseases, and to the aged, to whom it imparts warmth and vigor. It is invaluable to the

INTEMPERATE

In assisting them to overcome a morbid appetite for intoxicants. Taken by one of confirmed habit it will allay thirst, generate a healthy flow of the gastric juices, thereby furnishing the proper solvent for food, and permit, by taking the place of intoxicants, and assist, by its renovating action on the system, the complete restoration of the appetite, health and strength.

$100 WILL BE PAID for a bottle of any other Extract or Essence of Jamaica Ginger if found to equal it in fine flavor, purity, and prompt medicinal effect. Largest, Cheapest and Best. Take no other until you have given it a trial.

Sold by all Druggists and Dealers in Medicine.

BAYOLINE

QUININE HAIR TONIC!

Now growing in public favor. Each month increases its sales nearly double that of the previous month. The following are some of the reasons why it is used so universally.

BAYOLINE never fails to stop falling out of the hair.

BAYOLINE will immediately eradicate dandruff.

BAYOLINE is as clean as pure water.

BAYOLINE will not color the hair.

BAYOLINE has won for itself a popularity which has never before been equalled by any other preparation recommended for the same purpose. All who have used it are willing to vouch for its ability to perform all that is claimed for it. It is without doubt the best Hair dressing ever used. Prepared by

LEVI TOWER, JR., BOSTON.

Sold Everywhere. 50 cts. a bottle.

As a guarantee of the reliability of BAYOLINE we are permitted to use the name of GEO. H. NICHOLS, M. THE NEW REMINGTON

SHUTTLE SEWING MACHINES,

Manufactured at the Celebrated REMINGTON ARMORY, Ilion, N. Y., are the Latest and Best.

The REMINGTON SEWING MACHINES are rapidly becoming general favorites, wherever introduced. While it is not our purpose to underrate any other machine, we do claim that the REMINGTON is so complete as to overcome all the principal objections made against Shuttle Sewing Machines. That which has long been sought after by probably every Sewing Machine Company, has been obtained in the REMINGTON, namely: An even, round, bird's-eye stitch on all kinds of goods, coarse or fine, without the use of COG-WHEEL GEARS, ROTARY CAMS, or LEVERS, and smoothness, ease, and silence in working. Its perfection of Design and Manufacture makes it the simplest, the most speedy, the most durable in the market.

Manufacturers of Clothing, Shoes, etc., etc., will find just what they want in our No. 2 Machine, which is superior to all others.

All kinds of second hand Machines exchanged and sold on time, on the most reasonable terms. Perfect satisfaction guaranteed.

STATE NEWS.

Androscoggin.

About 11 o'clock Thursday forenoon 19th inst. Mrs. Branigan, living in Lewiston, while washing at a tub, suddenly fell back upon the floor apparently expiring immediately. Coroner Small was notified and a jury impaneled, but Drs. Oakes and Russell of the jury, after a close examination, were unable to decide positively whether it was a case of death or suspended animation and the inquest was postponed until the fact should be demonstrated. It is stated that the eyes have all the appearance of life and there is none of the rigidity that follows death.

Frank Moren of Lewiston, a French boy 11 years old, was drowned 20th inst., while bathing in the Androscoggin, near the mouth of the cross canal. His body was recovered an hour after.

Messrs. Norton & Leavitt sold to Gen. James A. Hall, Damariscotta, Thursday, all their slate quarry at Waterville, for the sum of one hundred thousand dollars.

There is some talk in Augusta that the Bates Company of Lewiston is negotiating for the Sprague Manufacturing Company at that place.

The store of W. J. Brown in Clinton was entered by some one through the cellar, about five o'clock Monday afternoon while the proprietor was at supper, and the money drawer wrenched from its place and carried off. It contained about $80 in cash.

Lincoln.

MOUSE ISLAND. The *Journal* says that Col. W. M. [illegible] and George E. Weeks, Esq., of Augusta, have sold Mouse Island to the following parties belonging in Skowhegan: J. J. Morrison, F. B. Hill, Wm. B. Drew, W. R. G. Estes, Samuel Bradford, Geo. N. Page, Eli W. Thompson, Chas. T. Jones, Mrs. Samuel W. Coburn, Jas. Fellows, S. J. Walton. The price paid was about $100. The parties will take possession of their property in October, when the underbrush on the island will be cleared up, and other improvements made on the grounds.

Oxford.

The barn of Thomas B. Libby, of Porter was struck by lightning on the 7th inst. and slightly injured. The wife of Mr. L. who was in the house at the time, about 100 feet from the barn, was so shocked that she was unable to speak for half an hour.

A young son of J. H. Jack, of Denmark, had his face badly burned on Sunday 1st inst., while playing with gunpowder.

Piscataquis.

The Piscataquis County Republican Convention meets at Dover, August 26th. Mr. Blaine is announced to speak.

The *Observer* announces the death of Timothy Hazeltine, Esq., a prominent citizen of Foxcroft.

The Dover District Republican Class Convention will be held at Parkman Saturday, September 4.

York.

There are eight U. S. vessels now lying at the Kittery navy yard, viz: the Lancaster, Sabine, Marion, Enterprise, Despatch, Speedwell, Kansas and [illegible]. A Verdict in Accordance with Proofs.

The verdict of the public in favor of Hostetter's Stomach Bitters differs from some that might be mentioned, in being in strict accordance with the proofs repeatedly adduced in support of the claims of America's most popular remedy. It may well be doubted if there was ever a medicine in [illegible] such a mass of unsolicited testimony has accumulated. An examination of this testimony establishes a fact of the last importance to the sick and debilitated, as well as those who are exposed to unfavorable influences of climate—namely, that the Bitters are an unequalled tonic, an active and thorough alterative, a [illegible] every disorder of the digestive, biliary and excretory organs, a reliable means of regulating the discharge of the most important functions of the body, and a supreme protective against intermittent and remittent fevers and all other diseases to which miasma gives birth. d&w aug20

Whose manner of treatment is by the application of a Salve which takes them out root and branch. No lancet or caustic used—no loss of blood. A sure cure guaranteed in every case. The best of references given. Apply to A. B. ROBINSON, No. 6 [illegible], or at his residence, No. 12 Birch St., Bangor, Maine.

I had a cancer of four years' standing which troubled me very much. During the time I consulted several physicians and they all said the only cure was to have it cut out, which I was unwilling to do. I applied to A. B. Robinson of Bangor, who successfully removed it by the simple application of a salve. If any one wishes to see it they can, by calling at my house.

CLAP-TRAP

One of the silliest specimens of political clap-trap which we have seen for a long time appeared in the *Commercial* last evening as a communication, the matter being deemed too absurd for the editorial columns of even that paper. The writer makes a very stupid attempt to gain party capital by informing all the laborers on the Water Works that they are indebted to the Democrats for their employment. This sage says that in observing the progress of these works he is forcibly reminded of the great benefit the people of Bangor are receiving in consequence of the *change* effected last spring in the municipal election. And he enthusiastically continues: "It is not too much to say that if the people had not elected a Democratic Mayor we should have had no such improvements in the city as we now see." From this he goes on to tell about the hundreds of laborers who would have found hunger and want staring them in the face, but who are now indebted to Mr. Laughton and the Democratic party for abundance of work with fair wages."

Now this is very laughable when we consider the fact that the Mayor bears about the same relation to this enterprise as the fifth wheel to a coach, and the further fact that the bill authorizing the construction of the Works was adopted by the not conspicuously partisan vote of *two thousand seven hundred and seventy-one* in favor to *seventy-seven* adverse.

But since so foolish an attempt has been made to discuss the Water Works from a political standpoint, and to claim great credit for the Democratic party in the premises, we will glance at a few more facts. First, the project of furnishing Bangor with an adequate water supply was first agitated by well-known Republicans of this city, and was constantly and bitterly opposed by the Democrats. Secondly, the plan of introducing water from the Penobscot river, which is now being carried into effect, owes its success, according the *Commercial's* own admission, to the special and persistent efforts of two Republican citizens, Charles E. Phillips, Esq. and Joseph F. Snow, Esq., more than to anyone else. Third, the petition to the Legislature for the passage of the bill was passed by a Republican City Government, and the bill itself was put through a Republican Legislature by a Republican City delegation. Fourth, there were appointed two Republicans and one Democrat on the Board of Commissioners, and so soon as the Democratic member discovered that his Republican colleagues meant to proceed with the enterprise he resigned his position because he had been from the first and still is opposed to the entire project. Fifth, the Democrat who thus resigned his place because the work was to be pushed forward was a representative man of his party in this city and received its support as a candidate for Congress only one year ago, while he was triumphed at the recent Convention that he is one whom the party always has and always will delight to honor.

So much for this clap-trap effort to set up a Democratic claim to the Water Works. Democracy and rum may go well together, but even the Holy System would fail in an attempt to run that party by cold water.

THE NEW CAMPAIGN CLUB

The report elsewhere given of the organization of the Fourth District Republican Campaign Club will be read with interest as showing that our people are becoming fully aroused to the importance of united effort. The new Club has been inaugurated under the most favorable auspices with a strong board of officers selected from among our most prominent and influential citizens, and reinforced as it will be by the hearty co-operation of the Republicans of the City, it will not fail to render valuable service to the cause in the time which remains for work.

A FLIMSY EXCUSE.

[From the Kennebec Journal.]

The Bangor *Commercial* tries to pass off Mr. Madigan's famous Aroostook campaign of fraud and bribery as a mere electioneering tour in which Mr Madigan and Hon. John A. Peters were alike engaged. There never was the slightest allegation that Mr. Peters went to Aroostook on any other ground than an ordinary stumping tour. He was in rather bad company we think, and he seems to have thought so himself, for he soon after washed his hands of the whole concern.

Mr. Pike speaks of Mr. Peters in his report, and says he was sent to Aroostook because of his "superior suavity." But there never was any pretence that he bribed or bought or bullied the voters or attempted to do any such thing. The Republicans at that time were just as much opposed to Mr Peters as to Mr. Madigan, but they were able to do him justice, and protect him from injustice. And the Bangor *Commercial* will find that it can't hide Mr. Madigan behind Mr. Peters' clean skirts in 1858, or behind his spotless judicial ermine in 1875.

[From the Kennebec Journal.]

MR. MADIGAN'S AROOSTOOK FRAUDS AND BRIBERIES.

In addition to the official examination made by Hon. James S. Pike, from which we quoted a few days since, it will be remembered that there was a Legislative Investigation into Mr. MADIGAN'S Aroostook Frauds and Briberies by the Senate of 1859.

The chairman of that committee was the late Hon. ELIJAH L. HAMLIN, of Bangor, who was then one of the Senators from Penobscot. No man ever served in the Legislature of Maine or of any other State more entirely free from mere partisan bias or more incapable of doing wrong to a political opponent than Elijah L. Hamlin.

He was a just, conscientious, upright man. His words may be taken as absolute truth. "Uncle 'Lijah" wrote the report on the subject himself, and signed it himself. We quote his conclusions as follows:

"Your committee have examined several witnesses from the County of Aroostook, two of them from the French plantations, and their evidence fully corroborates the statements made by Hon. James S. Pike in his report. Your committee therefore can have no doubt that these elections, *under the control of persons living outside of the plantations, were conducted in an outrageous and scandalous manner*. MONEY and RUM were both used without stint, accompanied BY VIOLENCE and the GROSSEST FRAUDS, as will fully appear from an examination of the statements accompanying Mr. Pike's report.

The principal facts established in this investigation in relation to these elections may be summed up as follows:

LARGE SUMS OF MONEY were expended in all these plantations, and paid directly to the voters *at so much a head*, principally in bills of the Frontier Bank, Eastport, and Eastern Bank, Bangor. [The Eastern Bank was the bank of Hon. Amos M. Roberts, father of Gen. Chas. W. Roberts, the Democratic candidate for Governor.—ED. *Journal*.]

LARGE SUMS OF MONEY were expended in other ways for influencing the election, a good deal for furnishing INTOXICATING DRINKS, particularly in Hancock plantation, where great numbers of the voters were DRUNK, and some of them stripped themselves stark naked and capered about in the presence of women and children.

Great VIOLENCE and INTIMIDATION at several of the voting places. In Hancock plantation all the Republican voters *were driven from the polls* and LIFE THREATENED.

ESPIONAGE and unwarrantable supervision at the polls and in counting the votes. In Hancock Mr. Dickey, a Custom House officer, examines the votes, and fixes them to his liking. In Madawaska, MR MADIGAN, *a Custom House officer from Houlton, sits all day over the ballot box and counts and declares the votes*. In Van Buren the voters were expelled from the voting room while the votes were being counted and Mr. Hammond, an alien, aids in counting and declaring the votes.

In clear violation of law, all the Democratic votes bore a distinguishing mark, being printed on BLUE PAPER, for the purpose, it is believed, of carrying out the fraudulent contracts for the PURCHASE OF VOTES."

NORTHPORT CAMPMEETING.

The Summer Cottages—New Boarding House—Natural Attractions—Land Fever—Campmeeting Week

NORTHPORT, Aug. 22.

Those who attended the first campmeeting here twenty-seven years ago, if they have not put in an appearance of late, must be greatly surprised at the change which has came over the place. The same forest temple is here in all its beauty, and the sparkling repose of Belfast Bay still kisses its shore, but its primitive features have received some artistic touches and the white tents that for one week in the year dotted the grove and made it vocal with song and prayer are now surrounded with permanent cottages—snug, neat and internally convenient, and outwardly exhibiting much architectural taste. The greater portion of these have been erected during the present season, the whole number being thirty or more. Most of these are owned by Bangor people, but Belfast, Bucksport and other places are represented. Many are scattered along Broadway, Sunnyside, North Avenue and other thoroughfares of the grove, but the larger portion occupy streets in the open lot of eight or ten acres adjoining the grove on the southeast, purchased by the Wesleyan Association a year ago. One of these streets, running from the water and skirting the grove, in compliment to the former proprietor is named Griffin street, and already rejoices in several elegant cottages, the happy inmates of which call them Paradise Row.

In this open field is the new boarding house. It is one hundred feet long by thirty wide, two stories in height besides basement, and with a large wing containing the culinary arrangements. The whole of the first floor, with the exception of a corner sitting-room, is a dining saloon capable of seating several hundred. The second floor is finished into twenty chambers, all of which are furnished and fully occupied. In the kitchen is a patent oven which will furnish a portion of the bread of life to the multitude during campmeeting. In the basement is a well stocked grocery store, barber shop, etc. Mr. Dodge, manager and landlord of this establishment has already acquired a pleasant reputation as a good caterer. The old song runs

> "Camden for beauty
> Belfast for pride
> If it hadn't been for clams,
> Northport would have died."

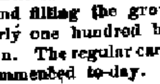
The clams are still here and give relish to an occasional chowder, but the bill of fare at the hotel and cottages demonstrates that however essential clams may have been to the past existence of Northport, they are now a side dish.

Northport is remarkably favored in escaping the fog which has prevailed on the coast the past fortnight. While all around has been enveloped, the sunshine has looked in here. In clear weather the outlook on the bay, bounded by Brigadier's Island and Long Island, is very fine, while from Dickey's Bluff, about a mile and a half from the camp-ground, one of the grandest panoramic views on the coast of Maine is spread out. The scene takes in the whole of Penobscot Bay as far as Mt. Desert, together with the intervening islands, while inland the eye rests on an extensive landscape terminating in the Dixmont and other hills which diversify the horizon's outline.

The cottage growth has been rapid during the past season and will undoubtedly continue. Proprietors of shore lands on either side of the camp-ground, where several handsome cottages already nestle in the openings, are warming up with a speculation fever which will save them considerable fire-wood during the coming winter.

Many of the cottagers have been here since July, and will continue into September. In several weeks there have been three or four hundred people summering here, among them a large sprinkling of unusually musical children. The regular campmeeting attendants are coming in thick and fast and filling the grove with their tents, nearly one hundred being already in position. The regular campmeeting services commenced to-day. Should the weather be propitious through the week there will be the largest convocation ever seen here. The greatly improved accommodations and the excellent and cheap facilities afforded by Messrs Ross & Howell and the City of Richmond will bring a multitude, besides the hundred other conveyances by land and water. R.

BANGOR WAKING UP!



The Fourth District Republican Club.

An Earnest Gathering of Republicans at Concert Hall—The New Club Inaugurated with Enthusiasm—Stirring Speeches by Hon. J. S Wheelwright, President Nealley, Senator Hamlin, Gen. Plaisted and Others—All Hands Going to Work.

In response to the published call there was a large and earnest gathering of Republicans in Concert Hall last evening to organize a Campaign Club for the systematizing and concentration of Republican efforts in the few weeks remaining before election. The meeting was called to order promptly at 8 o'clock by C. B. Wyman, Esq., of the Republican City Committee, who nominated Hon. J. S. Wheelwright for temporary chairman, which was voted, and that gentleman on taking the stand amid applause briefly stated the purposes for which those present had been called together. Hon. T. W. Vose was then chosen Secretary of the meeting.

On motion of C. A. Boutelle it was voted that a committee, consisting of one from each ward in the city be appointed by the Chair to prepare forthwith a simple basis of organization and also to recommend a list of officers to be presented for acceptance by the meeting. " 3—Henry Lord,
" 4—Charles Hight
" 5—E. W. Ware,
" 6—Manly G. Trask,
" 7—Joseph F. Snow.

The committee having retired to consult, there were loud calls for Hon. Hannibal Hamlin, who finally came forward amid hearty cheers and addressed the audience in a forcible and telling manner, his vigorous portrayal of the duty of the hour exciting the warmest enthusiasm.

Article 6. The Executive Committee shall have the general superintendence of the business of the Club, except so far as it pertains to the other officers, whose duties shall be such as are usually performed by like officers.

Article 7. Regular meetings shall be holden every Monday and Thursday evening at 8 o'clock and special meetings may be called by the President or in his absence by either Vice-President.

In presenting the proposed list of officers the chairman of the nominating committee remarked that it had been deemed proper that in organizing a Campaign Club the young Republican blood of Bangor should be recognized, and that the committee had unanimously recommended the choice of one of our most accomplished, energetic and wide-awake young men as President, to be backed by a strong board of the most prominent and influential Republicans of the city. The following list was then read and the recommendations of the committee were promptly ratified by the unanimous election of each as separately submitted to the meeting:

President,

Edward B. Nealley.

Vice-Presidents,

Ward 1—John S. Kimball
" 2—Hiram B. Williams,
" 3—Lewis Barker,
" 4—Lysander Strickland,
" 5—John B. Foster,
" 6—Llewellyn J. Morse,
" 7—William P. Wingate.

Executive Committee,

Joseph S. Wheelwright, Silas C. Hatch, Augustus B. Farnham, Joab W. Palmer, Edward E. Small.

Recording Secretary, H. N. Fairbanks.

Corresponding Secretary, James Swett Rowe.

Treasurer, Ambrose C. Flint.

As Mr. Nealley came forward with modest dignity on being called to the Chair, he was greeted with enthusiastic rounds of applause, which also frequently interrupted the appropriate and eloquent remarks with which he accepted the position and manifested his appreciation of the importance of the work in hand. The true aspect of the situation and the contest between parties in this State and the Nation, could hardly be set forth in more vivid and convincing style than in the compact and telling sentences of the speaker, and at the conclusion of his appeal to every Republican to take hold in earnest to maintain the prestige of our City, our District and our State, the whole audience rose to their feet and gave three rousing cheers for the President of the new Club who had so promptly shown himself to be the right man in the right place.

Gen. Plaisted, our candidate for Congress, was next called for and responded in a brief speech full of encouragement and hope, declaring that the Republicans should and would carry Bangor handsomely and that the extent of our majority depends upon the faithfulness of our efforts. This expression of confidence and determination was received with the heartiest applause.

Some business of a routine character was transacted, Hon. J. S. Wheelwright announcing a meeting of the Executive Committee at his office this forenoon, and on his motion the Club adjourned to meet in Concert Hall, Wednesday evening next at 8 o'clock.

The meeting throughout was characterized by the most earnest feeling, and the large number of representative Republicans present afforded proof that Bangor is waking up for the work in hand, and when the Republicans of Bangor get aroused they always mean "business."

The Louisville *Courier-Journal* (Dem.) says emphatically that there is undoubtedly danger as well as combustion in the issue precipitated upon the country by the Ohio Democrats. It embraces a menace that the public debt of the United States may be repudiated entire. The *Courier-Journal* continues:

"Thus, next year the issue may be a practical choice of evils, Grant and despotism, or Allen and the repudiation of the national debt, rag money opposing itself against the world, the whole involving a total obliteration of party lines. This is the crisis which the Ohio Democrats have made possible. If Allen is beaten the result will be their fault. If he is elected they will be responsible for the consequences, which we have not overstated."

NATIONAL TEMPERANCE CAMP-MEETING

A Late Sunday Session—Monday's Exercises

OLD ORCHARD, Aug. 23. Last night's session of the National Temperance Camp-meeting was continued till near midnight. The large assemblage in the tabernacle was treated to more than ordinary brilliant [illegible] of the evening. The subject again was the doctrine of sanctification which lately received enthusiastic treatment at the hands of the Methodists. After such indulgence in intemperate hours it might be expected reasonably that there would be some flagging of spirits this morning, but nothing of a helping hand [illegible] But if the afternoon proceedings is to be judged by the number present it is not really [illegible] of the morning [illegible].

Monday's Exercises.

[illegible] meeting at 9 o'clock was held in the [illegible] and was presided over by H. W. [illegible] of New York. At the opening exercises at 10.30 Rev. Mr. Dickerson of [illegible] and Mrs. H. L. The afternoon session [illegible] opened with singing hymns. Capt. J. B. Coyle of Portland was then introduced by Rev. J. Lane and made a short pithy speech.

A New Hampshire Woman.

Mrs. [illegible] Mason, who asks only that she may be known as the temperance orator of New Hampshire, then addressed the meeting with such dramatic power in [illegible] and energy of [illegible] gestures that many a thespian star might have turned pale with envy could she have heard and seen. She spoke with scathing contempt of a portion of the press which has been lukewarm in the cause or has cast slurs upon some of its advocates, notably its crusading women, and paid a fervent tribute to those journals which had chosen the better part. A resolution of thanks to the Women of the West was passed by their Eastern sisters in the temperance work. To-morrow has been set apart for the Good Templars.

GEORGIA

Cause of the Threatened War of Races—All Quiet Now.

NEW YORK, Aug. 23. A despatch from Augusta says the recent threatening trouble between the whites and blacks was solely from the insane desire on the part of three or four idle, turbulent negroes to gain notoriety and power, and being connected with some colored military companies were thus enabled to draw many quiet and law-abiding negroes into their plot. The prudent course of Gov. Smith in meeting the matter has tended to quiet the people and all apprehensions of trouble are now over. He was greeted at the public meeting at Sandersville, Saturday, with enthusiasm by both whites and blacks. He addressed them urging the blacks to be industrious and law abiding, and the whites to be calm and forbearing. One hundred negroes are in Washington county jail but with the exception of a few ringleaders all will be released. Of 70 arrests in Burke County, all but five have been released. General Prince Rivers of South Carolina says he knows nothing of the affair. The citizens of Augusta do not believe he had anything to do with the projected rising.

The trial of the case, State vs. Henry Quinn for an aggravated assault on Henry Murphy was completed Monday. The jury were unable to agree.

State vs. James Ingalls, indicted for the larceny of an overcoat at Oldtown, was next taken up and resulted in a verdict of guilty and the prisoner was remanded to jail to await sentence.

The case State vs. Lyman Hersey, tried on an indictment for breaking and entering the house of James L. Carl at Corinth in the absence of the family, and stealing sundry articles subsequently found in his possession, was next taken up and occupied the remainder of the day, the counsel having only completed their arguments when the Court adjourned.

The jail cases have all been disposed of and to-day the trial of persons indicted for selling liquor will be commenced.

It is strong testimony to the popularity and usefulness of the Cocoaine that it has had a host of imitators. Consumers will do well to observe that the full name, "Burnett's Cocoaine," is printed on the wrapper and is blown in the glass. Our legal success in dealing with infringements upon our name and rights will protect the public if only a little care is used. This tribute of imitation is paid to all meritorious and successful preparations. 1t aug24

The Venerable Archdeacon Scott, of Dunham, Quebec, says that he suffered from dyspepsia more than twenty-five years, but that three weeks' use of the Peruvian Syrup (an iron tonic) has benefitted him so wonderfully that he can hardly persuade himself of the reality, and people who know him are astonished at the change.

Exhaustion and degeneration follow the excessive use of the senses, without due intervals of rest for repair. In order to maintain the wonted energy, the force expended, whether of body or mind, must be restored. When the expenditure of brain matter and other nervous elements is continued by over-work, the early extinction of life itself may be looked for as the result of such degeneration. The ingredients composing Fellows' Compound Syrup of Hypophosphites are such as constitute healthy blood, re-establish sound nerves and senses, and will, consequently, not only prevent this exhaustion, but in most cases restore such as is lost.

A Verdict in Accordance with Proofs.

The verdict of the public in favor of Hostetter's Stomach Bitters differs from some that might be mentioned, in being in strict accordance with the proofs repeatedly adduced in support of the claims of America's most popular remedy. It may well be doubted if there was ever a medicine in substantiation of whose merits such a mass of unsolicited testimony has accumulated. An examination of this testimony establishes a fact of the last importance to the sick and debilitated, as well as those who are exposed to unfavorable influences of climate—namely, that the Bitters are an unequaled tonic, an active and thorough specific for every disorder of the digestive, biliary and excretory organs, a reliable means of regulating the discharge of the most important functions of the body, and a supreme preventive against intermittent and remittent fevers and all other diseases to which malaria gives birth. d&w aug23

THE NEW REMINGTON

SHUTTLE SEWING MACHINES,

Manufactured at the Celebrated REMINGTON ARMORY, Ilion, N. Y., are the Latest and Best.

The REMINGTON SEWING MACHINE is rapidly becoming a general favorite, wherever introduced. While it is not our purpose to underrate any other machine, we do claim that the REMINGTON is so complete as to overcome all the principal objections made against Shuttle Sewing Machines. That which has long been sought after by probably every Sewing Machine Company, has been obtained in the REMINGTON, namely: An even, round, bird's-eye stitch on all kinds of goods, coarse or fine, without the use of COG-WHEEL GEARS, ROTARY CAMS, or LEVERS, and smoothness, ease, and silence in working. Its perfection of Design and Manufacture makes it the simplest, the most speedy, the most durable in the market.
Manufacturers of Clothing, Shoes, etc. etc. will find just what they want in our No. 2 Machine, which is superior to all others.
All kinds of second hand Machines exchanged and sold on time, on the most reasonable terms. Perfect satisfaction guaranteed.

SANFORD'S

JAMAICA

GINGER.

This elegant preparation is prepared from the TRUE Jamaica Ginger, combined with choice aromatics and genuine French brandy, and is vastly superior to every other Extract or Essence of Ginger before the public—all of which are prepared with alcohol by the old process.

CHOLERA MORBUS,

Cramps, Pains, Diarrhea and Dysentery are instantly relieved by it. It will render an attack of Cholera Morbus impossible, if taken when the symptoms of this dangerous complaint first manifest themselves.

CRAMPS AND PAINS,

Whether produced by indigestion, improper food, change of water or diet, too free indulgence in ice water, exposure to sudden changes of temperature are immediately relieved by it. One ounce added to a gallon of

ICE WATER

And sweetened, forms a mixture which as a cooling healthy and refreshing Summer Beverage has no equal. Barrels of ice water prepared in this way, may be drank without the slightest injury, and happy is the man who finds in this a substitute for spirituous liquors. Its value to the Farmer, Mechanic and Laborer cannot be over estimated. It is so cheap as to be within the reach of all, so finely flavored as to be enjoyed as lovers of the choicest liquors.

DYSPEPSIA,

Flatulence, Sluggish Digestion, want of Tone and Activity in the Stomach and Bowels, Oppression after Eating, are sure to be relieved by a single dose taken after each meal. A great want exists for a

RESTORATIVE STIMULANT

Free from serious objections, yet palatable, even inviting to the senses, one which will create no morbid appetite for itself, and operate as an assistant to digestion, as well as perform the functions of a stimulant. Such we confidently believe is to be found in

SANFORD'S JAMAICA GINGER

An elegant combination of the True Jamaica Ginger with the choicest Aromatics. It is by and all comparison the most healthy, invigorating tonic and stimulant before the public. It is earnestly recommended to the weak and nervous, to those recovering from debilitating diseases, and to the aged, to whom it imparts warmth and vigor. It is invaluable to the

INTEMPERATE

In assisting them to overcome a morbid appetite for intoxicants. Taken by one of confirmed habit it will allay thirst, generate a healthy flow of the gastric juices, thereby furnishing the proper solvent for food, and permit, by taking the place of intoxicants and assist, by its renovating action on the system, the complete restoration of the appetite, health and strength.

$100 WILL BE PAID for a bottle of any other Extract or Essence of Jamaica Ginger if found to equal it in fine flavor, purity, and prompt medicinal effect. Largest, Cheapest and Best. Take no other until you have given it a trial.

Sold by all Druggists and Dealers in Medicine.

This feature is the right of the Policy holders made so by the law of the State of Massachusetts. Premiums already paid continue the Policy in force until they are earned by the cost of insurance. AN EARLY POEM BY EDGAR ALLAN POE.

The following verses, never before published, were written in the album of a Baltimore lady by Edgar A. Poe, at the age of 19 shortly after he left West Point in 1829. They are given in facsimile in Scribner's for September.

ALONE.

From childhood's hour I have not been
As others were—I have not seen
As others saw—I could not bring
My passions from a common spring.
From the same source I have not taken
My sorrow—I could not awaken
My heart to joy at the same tone—
And all I loved—I loved alone.
Then—in my childhood—in the dawn
Of a most stormy life—was drawn
From every depth of good and ill
The mystery which binds me still.
From the torrent, or the fountain—
From the red cliff of the mountain—
From the sun that round me roll'd
In its autumn tint of gold
From the lightning in the sky
As it pass'd me flying by—
From the thunder, and the storm—
And the cloud that took the form
(When the rest of heaven was blue)
Of a demon in my view.

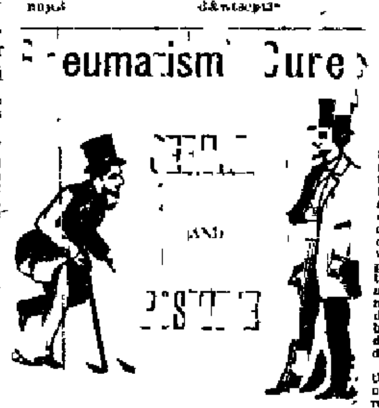
Rheumatism Cure



As A Proof Notice the Results

Capt. Stevens of the Boston Lancers says:

BOSTON, March 9, 1875.

Prof. [illegible] Hiller

Dear Sir—Accept my lasting gratitude for the benefit which myself and wife have experienced from the use of the wonderful medicine called the

Diamond Rheumatic Cure

For several years past I have been subject to regular attacks of Inflammatory Rheumatism, and each succeeding attack much more severe than its predecessor. The last visitation from this terrible scourge lasted three months. The best medical talent in Cambridge was called in, but no relief was experienced. I was so low on several occasions that my recovery was despaired of. When at last I rallied sufficient to discern what was transpiring about me, I learned that my wife was also sick with the same fearful disease. A friend learning of our helpless condition, brought her six bottles of the DIAMOND RHEUMATIC CURE. By the taking of two doses of this invaluable remedy she was entirely relieved. I then commenced to take it, and rapidly improved until in about a week I was completely restored. Since then I have had another attack, and one dose dispelled it. I no longer fear Rheumatism or its baneful effects. About two weeks since I recommended it to a friend who was likewise suffering, and the result was a certain cure by the use of one bottle. You can mention my name either publicly or privately in the interests of mankind. I am willing to be interviewed personally by any one desiring to know the above facts from me, and I feel fully convinced that the thousands who are to day suffering in torments from the effects of Rheumatism and Gout, if they but knew how ready a relief and cure was at hand, would at once resort to this sure and simple remedy, and would bless with benedictions of praise the name of the physician who gave to suffering humanity this truly effective remedy—the DIAMOND RHEUMATIC CURE.

I remain, gratefully yours,
T. J. STEVENS.

20 Elm St., Cambridgeport, and 8 Cambridge St., Boston.

The above testimony ought to convince the most skeptical Rheumatic that a sure cure has been discovered in the

Diamond Rheumatic Cure.

The proprietor of this medicine has walked the aisles of the hospitals of London and Paris for the last twenty years, making rheumatism a specialty, and the prescription from which this remedy is compounded is all he ever used in the treatment of this disease. Two tablespoon doses sometimes suffice. In the most chronic case it is sure to give way by the use of four or five bottles. By this efficient and simple remedy hundreds of dollars are saved to those who can least afford to throw it away, as surely it is by the purchase of useless prescriptions.

Let any sufferer who reads this purchase a small bottle and take it according to the instructions around the package, and it will not take long to convince him that paying doctors' fees is money thrown away—Liniments of all kinds are useless.

This medicine is for sale at all Druggists throughout the United States and Canada. If it happens that your Druggist has not got it in stock, ask him to send for it to the wholesale agents, [illegible] PERKINS & CO., Portland; WM. H. [illegible], Bangor; W. W. WHIPPLE & CO., Portland; and all the wholesale druggists in Boston.

TESTIMONIALS.

"I regard Mr. Eddy as one of the most capable and successful practitioners with whom I have had official intercourse. CHARLES MASON, Com'r of Patents."

"I have no hesitation in assuring inventors that they cannot employ a man more *competent and trustworthy*, and more capable of putting their applications in a form to secure for them an early and favorable consideration at the Patent Office. EDMUND BURKE, Late Commissioner of Patents."

"Mr. R. H. Eddy has made for me over THIRTY applications for Patents, having been successful in almost every case. Such unmistakable proof of great talent and ability on his part leads me to recommend ALL inventors to apply to him to procure their patents, as they may be sure of having the most faithful attention bestowed on their cases, and at very reasonable charges. To the Honorable Justices of the Supreme Judicial Court holden at Bangor within and for the County of Penobscot, on the first Tuesday of April, 1875.

The undersigned, a resident of Bangor, libels and informs this Honorable Court that she was married to Charles F. The year about to open will be fruitful of political events of important bearing upon the future of the country, and it will be our aim to keep our readers thoroughly informed, and to favor such measures and policy as will best promote the welfare of all the people. The great interests of

AGRICULTURE AND MANUFACTURES

of Maine will receive special attention and all the influence of the paper will be exerted in sustaining the growth and prosperity of our beloved State. We rigidly exclude from our columns every thing of an immoral tendency, avoid sensational matter and seek to make a thoroughly reliable paper which will find

A Welcome in Every Family Circle.

To advertisers our columns open one of the best fields in New England, our circulation being among the best classes of the people, and as

The Only Morning Daily East of the Kennebec,

this paper affords the principal medium of communication with a large and constantly increasing number of readers throughout Central and Eastern Maine. On the first of January the paper will appear in

An Entirely New Dress,

but with all its best features retained and with such improvements as we trust will insure an increase of that support which it has hitherto enjoyed.

LETTER CARRIERS.

All letters are delivered free by carriers when addressed to street and number. People should inform their correspondents of above and have their letters addressed accordingly.

Persons leaving their address at the General Delivery can also have their letters sent, but it is much more convenient to have the street and number on, and they will be delivered earlier than if the same is put on at the office. Carriers make two deliveries daily, the first trip supplying the extremes of their routes.

Collections are made morning and evening in season for important mails—the down town boxes fifteen and the up town boxes thirty minutes before closing mails at the office.

Holidays and Sundays the Carrier's Window will be open for the delivery of letters from 8½ to 9½ A. M. Also open evenings from 7½ to 8½ P. M.

Any irregularities in the Carriers' department should be reported to the office.

ENVELOPES.

No additional charge will be made for printing the name and request to return, across the left hand upper corner of the envelopes furnished by the Post Office Department, (samples of which may be seen at the Cashier's window,) when ordered in lots of not less than 500.

A request for the return of a letter to the writer, if unclaimed within thirty days, or less, written or printed, with the writer's name, post office and State, across the left end of the envelope, on the face side, will be complied with.

☞ The public are earnestly recommended to procure stamped envelopes with printed return request, as the expense is less, and letters thus endorsed, if not delivered to the person addressed, are returned to the writer free of charge.

First class envelopes of above furnished at $32 90 per thousand.

Stamps cut from Stamped Envelopes

cannot be used to prepay postage. The use of such Stamps is punishable by a fine of fifty dollars.

Stamped Envelopes, spoiled in directing, are redeemed at this office.
